

### The Elizabeth Hunter™ Insights into the Card Carrying 1013 Practitioner

I do not like others not being considerate of others. If what you're doing is, in any way, bothering another person, then stop what you're doing immediately. Just stop. Please be a decent human being.

If you had enough time and energy to grab the roll and set it on the bathroom counter, then you have enough time and energy to place it on the roll!

I do not like seeing people being entitled. You are no better than anyone else. Just be nice for goodness sake!

I insist on comforts. When I go to sleep I need to have a comfortable bed that is loaded with blankets. I can't sleep without being covered in a blanket. Preferably cocooned.

I dislike disorder and messiness; ignoring the rules, particularly the rules of social convention; being rude to others; not respecting other's privacy; placing them in uncomfortable social situations; playing loud music or disturbing their peace in other ways.

I am sometimes guilty of manipulative and controlling behaviour, selfishness, ignoring the reality of what's in front of me, hearing constant noise or tapping on the ceiling/walls and not doing something for my I can actually do it.

Composed from scanning the Blogosphere. It is not possible to allocate attributions to this research as Elizabeth Hunter™ is of the view that most participants in blogs contribute on line under some sort of alias, pen name or other form of obfuscation.
